

Equestrian - Aviation Community Bartram Farms

2/08

Homebuyer

Bartram Farms teaming with Victoria Robbins Realty are turning a new horse barn, built by Amish company Horizon Structures of Pennsylvania, in the community's new sales center. The 10- by - 36 foot structure is built of pine board and batten.

Bartram Farms, developed by the Alterra Group, offers two - to - 10 acre parcels priced from \$99,900. Along with hundreds of acres and equestrian amenities, the community boasts more than six miles of bridle trails.
